Inflation is at a 40 year high, and we're starting to see crashes in market sectors; the Dow Transportation Average has crashed 19.1%, the NASDAQ 100 technology sector has crashed 18.1%, and the small-cap Russell 2000 has crashed 21%. This week's guest here on Retirement Lifestyle Advocates radio expert analyst, Dr. Robert McHugh. Listen as your host, Dennis Tubbergen talks with Dr. McHugh about the prospects for a major crash in the markets this year and how you might protect your personal wealth.
