**Radio Program**

**with Guest Dr. Robert McHugh**

We would like to invite you to listen to Radio Host Dennis Tubbergen's most recent interview, June 2022, with Dr. Robert McHugh.

In this interview, Dennis and Bob discuss the probability the stock market could plunge further, and if a 70 percent decline is possible or not; the current hyperinflation and whether the Fed's policies will be able to reduce it or not; the prospect for higher interest rates; and offer strategies for how folks can protect their finances. They discuss Bob's latest forecast for Gold, Silver, U.S. Treasuries, Oil, and the Dollar, as well as where the Real Estate market is headed.
